Item 1. Introduction.

Gentry Private Wealth, LLC is registered with the United States Securities and Exchange Commission as an investment adviser. Brokerage and investment advisory services and fees differ and it is important for you to understand the differences.

Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://www.investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers and investing.

Item 2: What investment services and advice can you provide to me?

Gentry Private Wealth, LLC provides investment advisory services to retail investors. The principal services we offer are investment management and financial planning services. We also provide family office services for accredited investors. Investment management services are made available on a wrap fee program basis. We tailor your investment management and financial planning services to match your goals and objectives as provided by you to us. We monitor the holdings and performance of your investment management account on an ongoing basis. If we provide you financial planning only services, we will perform quarterly, semi-annual or annual reviews of your plan, in accordance with our agreement with you. Also, depending upon our agreement with you, our financial planning services may cease after delivery of a completed financial plan. We provide investment management services on a discretionary basis pursuant to authority granted to us in your client agreement. Pursuant to this discretionary authority we are authorized to determine which securities are bought and sold, the total amount to be bought and sold, and the costs at which transactions will be effected. We do not have proprietary products. In addition, we generally do not limit the types of investments we utilize for clients, but consistently utilize mutual funds, exchange traded funds, equity securities, corporate bonds, real estate investment trusts and alternative investments/private funds, among others. We do not impose account minimums for new clients. Regardless, we reserve the right to accept or decline a potential client for any reason in our sole discretion.

For additional information, please refer to our [Form ADV Part 2A Brochure](#), especially [Item 4 Advisory Business](#) and [Item 7 Types of Clients](#) and [Item 4.A Services Fees and Compensation](#) and [Item 5 Account Requirements and Types of Clients](#) in our [Form ADV Part 2A Appendix 1 Wrap Fee Program Brochure](#).

Questions to Ask Us:

Given my financial situation, should I chose an investment advisory service? Why or why not?

How will you choose the investments that you recommend to me?

What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

Item 3 (part 1): What fees will I pay?

For investment advisory services we charge an asset based wrap program fee, which is billed on a quarterly basis. For an asset based fee, the more assets that are in a client's advisory account, the more a client will pay in fees. Therefore, we may have an incentive to encourage clients to increase the assets in his or her account. Asset based wrap program fees will include most transaction costs and fees to a broker-dealer or bank that has custody of the client's assets, and therefore are often higher than a typical asset-based advisory fee. For financial planning services, initially \$500 of the fee is due upon entering into an agreement with the Firm and the remainder is due upon completion of the plan. Ongoing planning services (including plan updates, new analyses, and/or projections) can be provided and charged via an annual retainer fee, billed quarterly.

In addition to our asset based wrap program fee you will be responsible for other fees and expenses, such as fees/expenses charged by any subadvisor, mutual fund, exchange traded fund, separate account manager and any taxes or fees required by federal or state law, as well as commission and transaction fees for any transactions executed away from the program broker-dealer.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For additional information, see [Item 5 Fees and Compensation](#) of our [Form ADV Part 2A Brochure](#) and see [Item 4 Services, Fees and Compensation](#) of our [Form ADV Part 2A Appendix 1 Wrap Fee Program Brochure](#).

Question to Ask Us:

Help me to understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

Item 3 (part 2): What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide to you. As an example, we receive various benefits and services from custodians that we may recommend to you. For additional information, please refer to our [Form ADV Part 2A Brochure](#), specifically [Item 12 Brokerage Practices](#) and our [Form ADV Part 2A Appendix 1 Wrap Fee Program Brochure](#), specifically, [Item 9 Additional Information](#).

Question to Ask Us:

How might your conflicts of interest affect me, and how will you address them?

Item 3 (part 3): How do your financial professionals make money?

Our Managing Partner is paid pursuant to his ownership interest in Gentry Private Wealth. In addition, some of our financial professionals are paid pursuant to a salary, revenue share/or bonus structure, with the bonus generally not being dependent upon factors such as amount of client assets serviced and the revenue the firm earns from the financial professional's activities. Certain of our financial professionals are licensed insurance agents and in that capacity may recommend the purchase of certain insurance products to our clients. These financial professionals earn commissions for the sale of insurance products and, therefore, this presents a conflict of interest because these financial professionals in their role as insurance agents are incentivized to make insurance product recommendations based on the compensation received rather than on a client's needs. For additional information regarding our financial professionals' activities as insurance agents please refer to our [Form ADV Part 2A Brochure](#), specifically [Item 10 Other Financial Industry Activities and Affiliations](#) and our [Form ADV Part 2A Appendix 1 Wrap Fee Program Brochure](#), specifically [Item 9 Additional Information](#).

Item 4: Do you or your financial professionals have a legal or disciplinary history?

Questions to Ask Us:

As a financial professional, do you have any disciplinary history? For what type of conduct?
